ACCUD PROMO CATALOGUE

2025

Every two months a new special offer
on your favourite product range !

Calipers

Resolution 0.01mm/0.0005"

Accuracy: +/- 0,03mm
Automatic power on/off

Data transmission via cable or wireless transmitter

High accuracy of readings thanks to the use of a "glass" scale

111-XXX-10W		
111-006-10(W)	0-150mm	27,22 €
111-008-10(W)	0-200mm	43,27 €
111-012-10(W)	0-300mm	68,07 €

Caliper with glass scale

Choice of variants with or without thumb roller

Favourite model
"BESTSELLER"

Waterproof with IP 67
protection level

With big LCD
screen

Waterproof with
electronics SYLVAC

Height Gage

Made of stainless steel beam

Possibility to connect dial indicators using the 267 series reducer

182-xxx-11		
182-012-11	300mm	383,38 €
182-018-11	450mm	630,84 €
182-024-11	600mm	641,72 €

Carbide tipped scriber

With drive wheel on double line

Resolution 0.01mm/0.0005"

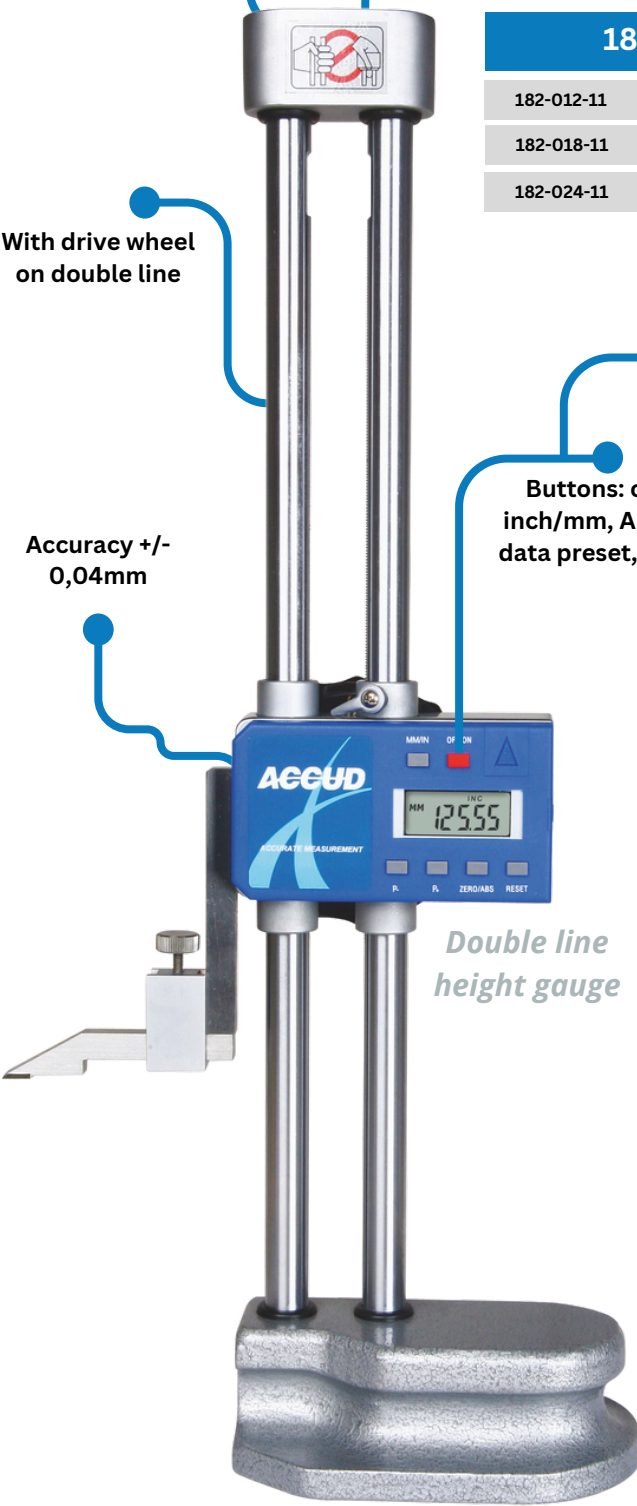

Buttons: on/off, inch/mm, ABS/INC, data preset, set data

Accuracy +/- 0,04mm

high accuracy 2D linear height gauge

Digital height gauge

Double line height gauge

181-xxx-11		
181-012-11	300mm	177,16 €
181-020-11	500mm	335,18 €
181-024-11	600mm	373,05 €
181-040-11	1000mm	705,36 €

ACCUGAGE 700		
ACCUGAGE 700	0-700mm	4.657,64 €
